Inspires you to own your
game in business, in
sport, and in life!

Life is too short to allow bad shots, adversity, or mistakes to bring you down. Whether it's your finances, your relationships, parenting, health, or even your profession, the reality is we all make mistakes. Many times, that's what leaves one pondering how it went wrong. Have you ever asked yourself, "How did I end up here?"

What is "it®"? Your potential, passion, and possibly even your purpose in life. Some of you already have it®. Some may have had it® and lost it®. Nike tells us just to do it®. But how? If there's another breath in your lungs, there's another chance in your bones. So, dust yourself off and get ready to **own it®**.

That's where LPGA professional Cindy Miller invites you to defeat your demons, seize your opportunity, and own your game. Now, first off, audiences rave about Cindy's story, and second, she actually changes lives. This is your invitation to **own your game®** in business, in sport, and in life.

Permission Granted.

“

No one tries to miss 'it®' on purpose.

Speaking topics

1 THE "IT" BOX

A Box. A Nail. A Mirror. A Seed. Cindy makes use of these simple things to teach you the steps you need to take in pursuing the most important thing in the world - your **it**®

Potential. Passion. Purpose.

2 THE WHY BEHIND WHAT MOTIVATES YOU

What motivates employees or clients? Knowledge of an individual's motivators can tell us **WHY** they do things the way they do. Can you learn to discern what your employees and clients ultimately desire? You can. Cindy teaches you the seven motivators and how to identify them in others so you can effectively manage employees and communicate with clients.

3 IMPROVE YOUR TEAM FROM THE INSIDE OUT

High performing teams, when firing on all cylinders can capitalize on opportunities. What causes teams to lose focus, be disengaged, and non functioning? In this session Cindy identifies the three most important components of winning teams. These characteristics are similar to teams that win Super Bowls, Ryder Cups, and World Series.

All three motivational experiences can be delivered as a standalone keynote address or paired with enlightening behavior assessment exercises in either a half-day workshop or full-day [seminar](#).
