Speaking topics

1 THE “IT” BOX

The Inspiration: This motivational keynote address uses the remarkable story of Cindy’s killer comeback as the back drop to developing your potential, passion, and purpose.

A Box. A Nail. A Mirror. A Seed.

Cindy makes use of these simple items to teach you the steps to take in pursuing the most important thing in the world... Your **it**®.

2 IMPROVE YOUR TEAM FROM THE INSIDE OUT

High performing teams, when firing on all cylinders, capitalize on opportunity to achieve wins. When they lose focus and become disengaged, the organization suffers. As an athlete, coach, and business woman, Cindy knows what it takes to win. She shares the three most important components of a winning team: discomfort as a path to change, self-assessment, and total investment in process. These components will help your team reach their full potential.

3 FROM THE BACK NINE TO THE BOARDROOM

How can a game about controlling a little white ball be so relevant to business? Because the same skills and attributes you use in golf are needed in business and life. Learning to play golf will give you access to leaders. The secret is people don’t care how you PLAY; they care how you ACT. In this session, Cindy teaches you the character traits revealed throughout eighteen holes. Learn how you can build better relationships on the course.

All three motivational experiences can be delivered as a standalone keynote address or paired with enlightening behavior assessment exercises in either a half-day workshop or full-day [seminar](#).
